.....THE NEW 'HANDY CAL'

Here are the facts about the 'HANDY CAL' Rota Calendar:

The HANDY CAL Rota Calendar is made from 300gsm heavy duty white card and displays the calendar detail in full colour.

The HANDY CAL is simple in it's design and easy to use and is great value to.

The HANDY CAL is delivered flat and is pre-scored for easy assembly into it's sturdy and robust triangular shape.

The HANDY CAL stands about 9cm (4") tall, about 14cm (6") wide and about 5cm (2") deep.

The HANDY CAL displays the rota in full colour, in the same way as the Rota Card.

The HANDY CAL calendar is set out with six months showing on each side and can be written on.

The HANDY CAL can sit anywhere, on the kitchen table/work surface/breakfast bar, next to the home phone, or on the desk next to the PC at the office/home.

The HANDY CAL's larger size makes it easy to read.

That's the beauty of **HANDY CAL!**
